4 - The evidence base for comprehensive sexuality education	27
4.1 Introduction.....	28
4.2 Main conclusions of the evidence reviews.....	28
4.3 Limitations of the evidence reviews.....	30
4.4 What evidence do we need in the future?	31
5 - Key concepts, topics and learning objectives	33
5.1 Goals, age groups and structure.....	34
5.2 Overview of key concepts, topics and learning objectives.....	36
Key concept 1: Relationships	37
Key concept 2: Values, Rights, Culture and Sexuality	45
Key concept 3: Understanding Gender	49
Key concept 4: Violence and Staying Safe	53
Key concept 5: Skills for Health and Well-being	58

Key concept 6: The Human Body and Development	64
Key concept 7: Sexuality and Sexual Behaviour	69
Key concept 8: Sexual and Reproductive Health	73
6 - Building support and planning for the implementation of CSE programmes	81
6.1 Strengthening commitment for CSE.....	82
6.2 Supporting CSE programme planning and implementation	86
7 - Delivering effective CSE programmes	89
7.1 Introduction	90
7.2 Characteristics of effective curriculum development.....	90
7.3 Designing and implementing CSE programmes	94
7.4 Monitoring and evaluation of CSE programmes	97
7.5 Scaling up CSE programmes	98
8 - References	101
9 - Glossary	111
10 - Appendices	115
Appendix I International agreements, instruments and standards related to comprehensive sexuality education (CSE).....	116
Appendix II List of participants in the Comprehensive Sexuality Education Advisory Group, 2016-2017.....	123
Appendix III List of participants in the UNESCO Stakeholder Consultation and Advisory Group meetings	124
Appendix IV Criteria for selection of evaluation studies and review methods	127
Appendix V Studies referenced as part of the evidence review 2016.....	129
Appendix VI People contacted and key informant details for updating key concepts, topics, and learning objectives 2017	133
Appendix VII Bibliography of references and resources used in the updating of the key concepts, topics and learning objectives 2017	134
Appendix VIII Proposed indicator for monitoring life skills-based HIV and sexuality education.....	138

List of tables and boxes

Tables

Table 1. Key characteristics of the 2008 and 2016 evidence reviews	30
Table 2. Limitations of the evidence reviews	30
Table 3. Common concerns about CSE	84
Table 4. Characteristics of an effective CSE curriculum	93
Table 5. Stand-alone or integrated CSE - key considerations	94
Table 6. Designing and implementing CSE programmes	97
Table 7. Indicator recommended for use by countries within their Education Management Information System (EMIS) to examine the quality, comprehensiveness and coverage of life skills-based HIV and sexuality education	98

Boxes

Box 1. Conceptual framework for sexuality in the context of CSE	17
Box 2. Examples of international UN standards and agreements between Member States, in relation to CSE	82
Box 3. Youth participation in CSE advocacy and implementation	86
Box 4. UNESCO's ten key principles for scaling up sexuality education	99
